

2020 MEDICAL / LIABILITY RELEASE FORM AND SIGN-UP

The information obtained from this form will be used only in emergency situations. The City of Newhall, the Recreational Board, and your son/daughter's coach feel it is necessary to be able to provide First Responders or ambulance personnel with as much information as possible to ensure adequate medical attention.

Tee Ball: Combined girls and boys and consist of practice only which will focus on the fundamentals of playing ball. We will have one practice a week and they are usually held the month of June with approximately 4-5 sessions.

Machine Pitch: Both girls and boys teams. Machine Pitch will consist of practices scheduled by your coach and approximately 5 games with other area teams which are usually held on Sundays. Practices typically start in May and the games are usually in the month of June.

Little League and Pony League: Both girls and boys teams. All teams compete against other area teams, with approximately two games per week, day and time varying, and alternating between home and away games. Additional games and/or tournament participation may be scheduled as allowed by time constraints, availability of money for entry fees, and interest of team participants. All team members will participate in. There will be a per child charge of \$10.00 for Tee Ball and Machine Pitch and \$20.00 for Little League and Pony League. Please make your checks payable to the **NEWHALL RECREATIONAL BOARD**. This money will be used to help cover the cost of uniforms and equipment in all of the Newhall Summer Recreational Programs. Stirrup socks will be provided and will be yours to keep.

Parental involvement enhances the children's enjoyment of this summer activity, and is essential for a successful program. **Each parent will be scheduled to work in the concession stand.** Without this help, we will be unable to keep the concession stand open and stand to lose its' revenue which represents a major portion of the Recreational Boards annual budget. Thanks for the help!

Additionally, any individual interested in umpiring are urged to contact any coach. The only qualifying requirement for umpiring is a basic knowledge of softball and/or baseball and at least a junior in high school. Any special rules would be covered by the coaches prior to play commencing.

Any questions should be forwarded to your child's coach or a Recreational Board Member.

Thank You!
